

The logo for the Energy Trail Tour 2025 is an oval shape. The top half is brown with the words "Energy Trail Tour" in white, bold, sans-serif font. The bottom half is black with the year "2025" in a large, stylized, orange script font. A blue and white wavy line representing water or energy flows across the bottom of the oval.

# Energy Trail Tour 2025

Calhoun County Electric Cooperative Association and Corn Belt Power Cooperative invite you to join us for one of two Energy Trail Tours being offered this summer. This 3-day adventure will allow you to experience, first-hand, how your power providers convert energy from water, wind, and coal into electricity. View coal being mined and see how those mines are then returned to productive farm and native grass lands. Enjoy interactive walking tours through a hydroelectric and coal-fired energy generation facility and other stops along the way. Meet other cooperative member-owners while traveling together across the Dakotas on-board a motor-coach bound for the North Dakota's Energy Loop. Two lucky couples from Calhoun County Electric will be selected at random from those who sign up.

YES, please enter our names in the drawing for the trip.
